

**RISK ASSESSMENT FOR:
School activities during COVID 19 outbreak –
Revised 3rd March 2021**

COVER SHEET

This risk assessment is being written in response to the government's guidance for the full opening of schools

(<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>):

System of controls

This is the set of actions schools must take. They are grouped into 'prevention' and 'response to any infection':

Prevention:

- 1) minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school
- 2) clean hands thoroughly more often than usual
- 3) ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach
- 4) introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach
- 5) minimise contact between individuals and maintain social distancing wherever possible
- 6) ensure face coverings are used in recommended circumstances
- 7) keep occupied spaces well ventilated
- 8) where necessary, wear appropriate personal protective equipment (PPE)
- 9) promote and engage in asymptomatic testing

Numbers 1 to 4 and 6 to 7 and 9 must be in place in all schools, all the time.

Number 5 must be properly considered and schools must put in place measures that suit their particular circumstances.

Number 8 applies in specific circumstances.

Response to any infection:

- 10) promote and engage with the NHS Test and Trace process
- 11) manage confirmed cases of coronavirus (COVID-19) amongst the school community
- 12) contain any outbreak by following local health protection team advice

Numbers 10 to 12 must be followed in every case where they are relevant.

This Risk Assessment is reviewed by the Trust Exec and Trust Heads regularly, minimum monthly

RISK ASSESSMENT FOR:
School activities during COVID 19 outbreak -
opening from 8th March 2021

Establishment: Scholars' Education Trust	Assessment by: Trust Executive team and Trust Heads	Date: 19.08.20 (original)
Risk assessment number/ref: RA/SET	Manager Approval: Reviewed by SET Exec/Trust Board	Date: 03.03.21

Rev 1: updated template following issue of updated Government advice on 7th August [Actions for schools during coronavirus outbreak'](#)

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
Individual risk factors meaning staff / pupils more vulnerable to COVID-19	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>School to discuss arrangements / concerns with individuals and provide assurance of controls in place. Individual risk assessments will be conducted where required to determine if additional measures are required.</p> <p>Since 20th December when Hertfordshire entered tier 4. all children still deemed clinically extremely vulnerable were advised not to attend school.</p> <p>Those pupils unable to attend school because they are following clinical and/or Public Health advice (e.g. a letter from their consultant) will be provided with remote education.</p> <p>Existing individual health care plans in place for pupils/students to be reviewed.</p> <p>Clear message sent to parents that students should not be sent into school if unwell for both Covid-19 and any other illnesses/symptoms.</p> <p>Staff Wider government advice remains to work from home where possible. Limited school roles where this will be the case, roles which are able to do so effectively will be considered. Individuals classed as clinically vulnerable to have a risk assessment undertaken on their role and ability to maintain social distancing. Consider if these staff are able to work remotely or in areas / roles where</p>	<p>Clinically extremely vulnerable pupils and staff to be advised not to attend work /school until 31st March 2021 at earliest</p> <p>Since 20th December when SET entered tier 4 those staff who are clinically extremely vulnerable are advised to work from home and not to come into work. If someone in this category cannot perform any work duties from home, then they should be advised not attend the school site and should remain at home.</p> <p>Parent/Carer absence guidance updated & included in newsletter/Zoom. SET Parent/Carer COVID update. Staff & student list compiled where individual risk assessments are required. SET risk assessment</p>	<p>Head</p> <p>Head/HR</p> <p>Head</p>	<p>Updated March 2021</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>maintaining social distancing is easier.</p> <p>Any existing individual risk assessments to be reviewed.</p> <p>See COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable</p>	<p>template in place. Pregnancy guidance is held centrally.</p> <p>Remote education to be available to students unable to return to school as advised by Consultant letter.</p> <p>EHCPs reviewed & updated</p> <p>All individual risk assessments to be in place/reviewed, where socially distancing cannot be maintained to be offered remote working or remote areas within school. (SET individual RA template in place)</p>	<p>INCO/SENCO</p> <p>Head</p>	<p>Updated March 2021</p> <p>Updated March 2021</p> <p>Updated March 2021</p>
<p>School occupants coming into contact with those with Coronavirus symptoms</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>School community clear on symptoms of coronavirus: high temperature (37.8 deg C or more), a new continuous cough or a loss of, or change, in their normal sense of taste or smell.</p> <p>Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection followed.</p> <p>These have been communicated to all.</p> <p>No symptomatic individuals to present on site.</p> <p>In the event of a suspected case whilst working on site Ensure SLT / Head are notified.</p> <p>Individual goes home immediately (if awaiting collection by their parent, isolate child in a room behind a closed door, or an area at least 2m away from others, open a window for ventilation) and self-isolate.</p> <p>School staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask, type IIR) if a distance of 2m cannot be maintained. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask (type IIR), disposable apron and gloves.</p> <p>Clear message to parents that if a student is unwell at school they are to be sent home or collected immediately.</p> <p>Anyone who has had contact with those with symptoms to wash hands thoroughly.</p>	<p>Staff & parent COVID update to include clear guidance on symptoms + SET flowchart</p> <p>First Aiders & staff aware of process. SET flowchart for suspected cases to be issued to parents/carers to advise on actions to be taken.</p> <p>Stocks of PPE equipment in place, stock to be monitored.</p>	<p>Head</p> <p>Head/SLT/First Aiders</p> <p>Site Manager</p>	<p>On going</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>All areas occupied and equipment used by the affected person are to be thoroughly cleaned and disinfected (see PHE cleaning advice https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings)</p> <p>Students / staff informed via NHS test and trace or the NHS COVID-19 App they have been in close contact with a positive case to self-isolate for 10 days (reduced from 14 days from Monday 14th December). See https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/nhs-test-and-trace-if-youve-been-in-contact-with-a-person-who-has-coronavirus/</p> <p>Testing Staff / pupils who develop symptoms should be PCR tested. Testing is most sensitive within 3 days of symptoms developing. Guidelines on who can get tested and how to arrange for a test can be found in the COVID-19: getting tested guidance.</p> <p>Tests can be booked online through the NHS website https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/ Direct link is https://self-referral.test-for-coronavirus.service.gov.uk/antigen/name or call 119 if they have no internet access.</p> <p>From 26th August schools were provided with 10 home testing kits which can be provided in the exceptional circumstance that you believe an individual may have barriers to accessing testing elsewhere. See https://www.gov.uk/government/publications/coronavirus-covid-19-home-test-kits-for-schools-and-fe-providers. Kits are not be given directly to children, only to adults over the age of 18 or a child's parent or carer.</p> <p>Positive case in school In the event of a positive case report to HCC via COVID.EYSEducation@hertfordshire.gov.uk See <i>COVID-19 case reporting flowchart for schools</i> https://thegrid.org.uk/covid-19/key-documents-for-schools HCC Public Health will work through a risk assessment to identify close contacts and assist with action in response to a positive case.</p> <p>Records kept of pupils and staff in each group.</p> <p>A template letter will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed.</p>	<p>Cleaning contractors to be advised, deep clean of area.</p> <p>Parent/Carer COVID update</p> <p>Staff and pupils who are tested for Covid 19 to inform the school of result and date of test promptly. Staff & parent/carers COVID update to include guidance on testing + SET flowchart</p> <p>First Aiders & SLT aware, included in First aiders COVID update template</p> <p>School to ensure registers include staff members in each group/lesson. Attendance admin to be aware. Included in SET staff COVID update.</p>	<p>Site Manager/ Trust Estates</p> <p>Head</p> <p>Head/SLT</p> <p>Head/SLT</p> <p>Head/SLT/ Office Manager</p>	<p>On going</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Asymptomatic testing (LFD testing) Secondary schools had access to additional coronavirus (COVID-19) LFD testing from the first week of January. This is moving to a home testing model for staff on wider return (2x tests / week).</p> <p>From 8th March 2021 all secondary phase schools are to continue to engage with NHS test and trace process. Station(s) to be in place for the mass lateral flow testing of students. First 3 onsite tests, with the first test prior to returning to school, to take place 3 to 5 days apart. Students will then be provided with home testing kits to self-administer at home for regular testing. Location to have non-porous floor, separate in and out exits or the facility for those entering & exiting to maintain social distance and adequate supervision. Staff to be provided with home testing kits and be asked to self-administer the tests twice weekly. Please see separate LFT risk assessment. Testing to remain voluntary.</p> <p>Positive case in school In the event of a positive case the local health protection team will be contacted and their advice followed. Public Health England East of England 0300 303 8537 opt 1 https://www.gov.uk/guidance/contacts-phe-health-protection-teams#east-of-england-hpt</p> <p>Records kept of pupils and staff in each group.</p> <p>A template letter will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed.</p>	<p>Secondary schools can bring pupils back for testing prior to March 8th: Students attending for tests prior to 8th March should not spend any longer in school than is necessary, avoid public transport wherever possible and maintain social distancing. _Consent forms (SET template in place) to be sought from all students and staff; parents/carers & staff to be advised by letter with clear guidance on process to be issued. SET template for volunteer risk assessment to be completed for all volunteers.</p>	<p>Head/SLT</p>	
<p>General Transmission of COVID-19</p> <p>Ineffective hygiene protocols</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Welfare facilities are provided which contain suitable levels of soap and paper towels. All persons to wash hands with soap regularly and thoroughly, for at least 20 seconds. Hand washing technique to be adopted as directed by NHS guidance posters in place to reinforce this.</p> <p>Alcohol hand sanitiser used to reduce congestion at toilets / where soap and water is not available. Supervision required to reduce risk of ingestion. Review existing levels / location of hand sanitiser stations. Alcohol hand sanitiser provided at reception / entrance/exit points; student entrance /reception and should be used by all persons when entering/leaving.</p>	<p>In place, included in Site Staff COVID guidance. Stock to be monitored</p> <p>In Site Staff COVID guidance. In place in key areas of schools. Stock to be monitored</p>	<p>Site Manager/SLT</p> <p>Site Manager/SLT</p>	<p>On going</p> <p>On going</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Additional hand sanitiser within classrooms where required e.g. for Early years children returning from the toilet where hand washing will not be as robust. Build use into routines staff and pupil routines e.g. on arrival, when returning from breaks, when changing rooms, before / after eating.</p> <p>Site staff to regularly clean the hand washing facilities and check consumables. Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal.</p> <p>Ensure adequate supplies of soap, hand sanitiser and paper towels and these should be securely stored.</p> <p>“Catch it, kill it, bin it” message reinforced. Tissues will be provided for classrooms. Staff to replenish as needed. Staff / students to use tissues when coughing or sneezing and then place the used tissue in the bin before washing hands. (lidded bins in classrooms / other locations for disposal of tissues and other waste)</p> <p>All persons are reminded to not touch their eyes, nose or mouth if their hands are not clean.</p>			
<p>General Transmission of COVID-19</p> <p>Ineffective cleaning</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Agreed cleaning schedule in place.</p> <p>Enhanced cleaning schedule implemented throughout the site during school day, ensuring that frequent contact points, e.g. door handles, taps, flush handles, toilet door handles, bannisters, telephones, keyboards etc. are all cleaned and disinfected regularly.</p> <p>Shared areas and rooms that are used by different groups will require more frequent cleaning / cleaning between groups.</p> <p>Where toilets are shared between different groups these must be cleaned regularly (focus on high contact surfaces) and the importance of thorough hand washing reinforced. Cleaning materials (e.g. disinfectant spray / wipes) available to staff. Manufacturer’s instructions for dilution, application, PPE and contact times for all detergents and disinfectants to be followed. Only cleaning products supplied by the school / contract cleaners are to be used. School to obtain the risk assessment from contract cleaning staff for assurance on social distancing measures and their schedule / methods for cleaning the school site.</p> <p>Thorough cleaning of rooms at the end of the day.</p>	<p>Cleaning schedules in place and discussed with contract cleaners</p>	<p>Site Manager / Trust Estates</p>	<p>On going review</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>In the event of a suspected case / confirmed positive case on site For disinfection (e.g. following a suspected case) use a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.). See PHE advice COVID-19: cleaning of non-healthcare settings guidance if an alternative non-chlorine based disinfectant is used ensure that it is effective against enveloped viruses i.e. a product to BS EN14476.</p> <p>When cleaning a contaminated area: Cleaning staff to:</p> <ul style="list-style-type: none"> • Wear disposable gloves and apron • Wash their hands with soap and water once they remove their gloves and apron • Wear a fluid resistant surgical mask (Type IIR) if splashing likely • Hands should be washed with soap and water for 20 seconds after all PPE has been removed. <p>PPE to be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</p> <p>Any cloths and mop heads used must be disposed of as single use items.</p>	<p>To be included in SET Site Staff & First Aiders COVID guidance.</p>	<p>Site Manager/ Office Manager</p>	
<p>General Transmission of COVID-19</p> <p>Minimising contact and Maintenance of social distancing</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Determine the nature and size of your distinct groups (bubbles) and document the approach being taken i.e. class bubbles, year group bubbles etc. (these should be as small as practicable to reduce transmission risk whilst delivering the full curriculum).</p> <p>Groups to remain clear and consistent. Students (Year 7 upwards), staff (secondary and primary) and visitors should wear face coverings in communal areas at all times unless medically exempt from doing so. Face coverings should also be worn in the classroom and during activities unless social distancing can be maintained. Guidance to be given to staff and students on the safe wearing and removal of face coverings. Masks to be available in school shops/designated office.</p> <p>Limiting interaction between groups by: Staggering breaks and lunch; Minimise rooms / spaces being shared across groups; Cleaning shared spaces between use by different groups;</p>	<p>To be read in conjunction with individual schools' reopening operational plans. Ongoing monitoring of movement around school and ability of groups to remain apart.</p> <p>Staff & parent COVID update</p>	<p>Head/SLT</p> <p>Head</p> <p>Head</p>	<p>Updated March 2021</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>No groups are coming together for assemblies, events / school fairs, school trips etc. Wider assemblies / collective worship conducted via video link. Continue to use social distancing wherever possible (more emphasis on this is likely with older children).</p> <p>Where staff move across groups hands to be washed / sanitised before and after and social distancing should be maintained, aim for 2m from other staff and adults as far as is reasonable. Schools can continue to engage supply and peripatetic teachers including staff from music education hubs. Ideally the teaching space should be 2m from pupils, where this is within 1m then change layout / increase space at the front of the class to attain 1m+. . Wearing of face coverings now required for secondary students and staff when 2M distancing cannot be maintained in class).</p> <p>Keep space at front of class for SLT to enter and be present whilst maintaining social distancing.</p> <p>Staff to avoid close face to face contact and minimise time spent within 1 metre of anyone.</p> <p>Primary to remain in class groups for the majority of the time. Pupils sitting side by side rather than face to face. Face coverings for visitors and staff to be worn in corridors and communal areas, including staffrooms (where 2M social distancing can't be maintained). Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use.</p> <p>Secondary Zone school assigning groups to different areas Groups to keep to their zoned area as far as possible, movement only to specialist rooms where necessary. Teachers move between classes wherever practical. Staggered timetable / timetable specialist rooms to keep groups apart; SLT supervise corridor / communal areas during changeover to facilitate.</p> <p>Face coverings In schools where pupils in year 7 and above are educated face coverings to be worn by adults and pupils when moving around inside the premises, such as in corridors and communal areas where social distancing cannot easily be maintained.</p>	Included in SET staff COVID update		

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>From March 8th these should also be worn in classrooms (unless 2M social distancing can be maintained) Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use. See guidance on face coverings in Education</p> <p>The use of face coverings does not replace social distancing, good hand washing and hygiene protocols.</p> <p>Extra-curricular clubs determine if these are essential and necessary to support the parents to work, attend education & access medical care and support the curriculum/education of students and ensure delivery replicates school groups / bubbles.</p> <p>Hiring and lettings risk assessments on delivery required from providers, suspend if controls are not as robust as the school's / social distancing (2m) cannot be maintained.</p> <p>Review hirers activity against existing Government restrictions. See https://thegrid.org.uk/Restricted-assets/covid-19-supplementary-hire-conditions-jan2021-v6.docx</p> <p>Social distancing (ideally 2m, 1m+ only with mitigation) must be maintained. Agree your maximum occupancy based on the room size and nature of activities (static vs a range of movement). Review hirers activity against relevant Government guidance and any existing restrictions.</p> <p>Room layouts and areas able to be accessed are agreed and additional furniture is not used by hirers Time of hire avoids any unnecessary mixing with members of the school community and access is arranged to avoid such contact. Welfare facilities are cleaned before / after use by hirers and adequate supplies of soap/water, paper towels, hand sanitiser etc. are provided. Consider how well ventilated the hired space is and if this can be improved, for example by opening windows / doors where appropriate. Is any additional signage for hired spaces to remind users on social distancing, hand washing etc.</p> <p>All areas used, particularly touch surfaces are cleaned before / after use / before occupation by school.</p>	<p>All hirers or lettings to provide their own risk assessment and checked by the school before hiring will take place. All lettings currently suspended.</p>	<p>Site Manager / Trust Estates</p>	

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Breakfast and afterschool clubs</p> <p>Provision should where possible replicate the groups (bubbles) in place during the school day or if not possible can be small consistent groups to minimise potential transmission between the school's groups.</p> <p>Where such clubs bring children together across year groups review the space/ layout and maximum occupancy to achieve social distancing (ideally 2m between children from different groups). See protective measures for holiday and after school clubs, and other out of school settings which recommend a max 15 children per group (multiple groups can use the same space, only if there is robust social distancing between groups).</p> <p>As with physical activity during the school day, contact sports should be avoided.</p> <p>Offsite visits No school trips to take place</p> <p>Music / Dance / Drama Social distancing to be observed. This may limit group numbers. Keep background / accompanying music to levels which do not encourage teachers or other performers to raise their voices unduly. If possible use microphones, avoid sharing these. Clean equipment before / after use and between users / groups.</p> <p>Performances to be virtual / recorded for parents, no audiences in order to minimise risks. All undertaken in same consistent school bubbles.</p> <p>Singing and wind / brass instruments Increased risk of aerosol transmission with volume and numbers of individuals within a confined space is likely. Accumulation of aerosols to be limited by keeping the actual singing / playing time short. Activity to take place outside where possible.</p> <p>Where using indoor spaces ensure good ventilation through the use of mechanical systems and/or opening windows and doors. Limit group size in relation to the space, use larger rooms with high ceilings for larger groups.</p>	<p>Wrap around care to reopen when can safely do so. Schools to risk assess and include in individual schools' risk assessment.</p> <p>School trip staff aware.</p> <p>Heads of Music/Dance/PE/Drama aware.</p>	<p>Head</p> <p>Head/ Office Manager</p> <p>SLT</p>	

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>If using a shared space (hall etc.) then ventilate the empty room for at least 15 minutes before another group uses the space and clean all touch surfaces before use by another group.</p> <p>Larger groups e.g. more than a single class of 30, would need schools to undertake a specific risk assessment and demonstrate robust controls e.g. larger space, social distancing and good ventilation (min of 10l/s/person for all present).</p> <p>Face to face activity is to be avoided (Pupils positioned back-to-back or side-to-side when playing or singing). Where face to face activity cannot be avoided ensure 2m physical distancing is kept between staff and pupils (if 2m is not viable further robust risk mitigation will be needed- screens, 'moisture guard' covers for mouth blown instruments and good ventilation.)</p> <p>Use microphones. Sing / play quietly to reduce aerosol risk. Position wind and brass players so that the air from their instrument does not blow into another player. No sharing of wind / brass instruments.</p> <p>Additional guidance and supplementary risk assessment on music lessons in school has been produced by Herts Music service. http://www.hertsmusicservice.org.uk/schools-covid-update/</p> <p>PE / school sport PE subject lead / head of PE to review existing risk assessments and schemes of work to include management of COVID-19 risks. Schools must only provide team sports listed on the return to recreational team sport framework. No requirement to wear face coverings in PE</p> <p>Pupils to be kept in consistent groups, sports equipment to be thoroughly cleaned between each use by different groups, and contact sports limited. (The AfPE's position is still that contact between students should be avoided in PE, where some element of contact is permitted this should be limited with social distancing in place for other parts of the lesson).</p> <p>Where National Governing Bodies have approved guidance which permits contact (FA etc.) lessons must be operated in line with that NGB guidance. https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/guidance-for-providers-of-outdoor-facilities-on-the-phased-return-of-sport-and-recreation. https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/return-to-recreational-team-sport-framework</p>	Head of PE aware	SLT	

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Multiple groups not permitted to use PE / outdoor equipment simultaneously Sharing of equipment during PE is limited.</p> <p>Outdoor sports prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils. Build in time for handwashing / sanitising before / after lesson. See advice and FAQ's from Association for Physical Education, AfPE have also published a model risk assessment for PE. https://www.afpe.org.uk/physical-education/coronavirus-guidance-support/ <u>No fixtures against other schools (in line with restrictions on grassroots sport)</u> <u>AfPE are still advising against school fixtures due to contact / transmission risks across schools..</u></p>			
Access to & egress from site	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Consider staggered start and finish times to reduce congestion and contact at all times. Review access points, open up alternative gates. Allocate groups different times / entrance points. Communicate changes and allocated times to parents / pupils.</p> <p>Monitor site access points to facilitate social distancing – may need to change the number of access points, either increase to reduce congestion or decrease to enable monitoring.</p> <p>Discourage parents picking up their children from gathering at the school gates. Consider visual aids to help parents socially distance / supervise entry and collection. Consider Introducing floor markings to aid social distancing (e.g. tape or survey spray) where controlled queuing will be expected. Communicate expectations to parents.</p> <p>Consider one-way traffic through external doors to avoid face to face passing.</p> <p>Visitors Only essential visitors allowed on site. Ensure all visitors / building users are aware of school's expectations. They must follow social distancing, hand washing / use of sanitiser on entry and adhere to any restrictions on accessing parts of the building stipulated by the school. All external visitors / building users to sign and to be asked to sign a declaration that they have not tested positive or displayed symptoms in the last 14 days and have not been in contact with someone displaying symptoms for the last 14 days, before being allowed on site.</p>	<p>To be read in conjunction with individual schools' reopening operational plans.</p> <p>All external visitors to schools need to sign in & complete declaration form and leave contact details to support track & trace. Staff to ensure GDPR compliant. Signage in place, visitors to school to be kept to an absolute minimum. External visitors to be outside of</p>	<p>Head/SLT</p> <p>SLT/ Office Manager</p> <p>SLT/Office Manager</p>	<p>Completed 31.08.20</p> <p>On going</p> <p>On going</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Parents instructed only to come onto premises by appointment or in event of an emergency.</p> <p>Volunteers, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk, including need to maintain distance (2m where possible) from other staff and pupils.</p> <p>Where visits can happen outside of school hours, they should. A record should be kept of all visitors or the lead member for a group e.g. a hiring (records maintained for 21 days) to aid track and trace. (Name, contact phone number, date of visit arrival / departure time) Signage in reception regarding good hygiene. Use of Perspex screens for open receptions and tape / visual markers to reinforce social distancing (2 m where possible)</p> <p>Staff / pupils On arrival all staff and students to wash hands using nearest available toilet or use the sanitiser provided at their point of entry.</p>	<p>school hours and only if absolutely essential reason for all schools</p> <p>Supply staff & volunteers to be issued with SET COVID guidance.</p> <p>Screens at reception in place, all visitors to schools need to sign in and leave contact details in the event of a need for track & trace. Staff to ensure GDPR compliant.</p> <p>Sanitizer in place</p>	<p>Office Manager</p> <p>Site Manager</p>	<p>On going</p> <p>On going</p>
<p>Contact points Equipment use printers, workstations, apparatus, machinery etc.</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Parents to ensure children have their own water bottles in school to reduce contact with water fountains.</p> <p>Regularly clean and disinfect common contact surfaces in reception, office, access control etc. (screens, telephone handsets, desks).</p> <p>Staff and pupils have their own basic equipment (pens, pencils etc.) to avoid sharing.</p> <p>Activities and resources</p> <p>Classroom resources which are shared within groups (bubbles) are cleaned regularly; Those shared across groups must be cleaned between use</p> <p>Minimise all unnecessary sharing of resources, taking books home etc.</p> <p>For secondary science and DT also consider CLEAPPS advice (GL343 & GL 344) for suggested considerations in undertaking practical work.</p> <p>Use of shared resources between groups to be minimised, resources allocated to individual groups where possible. Otherwise all resources shared across groups must be cleaned before / after use e.g. library books, chrome books, laptops, I pads, PE equipment etc.) or 'quarantined' (for 48 hrs, 72 hours for plastic) before being used by another group.</p>	<p>Included in parent / carer COVID update</p> <p>All staff aware, included in staff COVID update.</p> <p>Included in parent/ carer COVID update.</p> <p>Heads of Science aware</p> <p>Included in SET staff COVID update</p>	<p>Head</p> <p>Site Manager / Office Manager</p> <p>Head</p> <p>SLT</p> <p>Head</p>	

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Where equipment is quarantined ensure this is clearly labelled with day used / next day available for use.</p> <p>Build cleaning into end of lesson activity routines.</p> <p>Schools to ensure anti-bacterial wipes/sprays are available in all IT rooms and teacher to ensure students wipe down after use. If student too young then arrangements for IT support staff etc. to clean.</p>	<p>Anti-bac wipes/sprays to be available in all IT rooms; students to wipe and bin. Stock to be monitored</p>	<p>Head/SLT</p>	
<p>Proximity of students/ staff</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Staff are to maintain a safe distance between each other, 2 metres, where that can not be maintained staff should wear face coverings when indoors.</p> <p>Rooms to be kept as well ventilated as possible (opening windows) or via ventilation units. (where mechanical ventilation is present adjust these to full fresh air where possible). See HSE guidance and CIBSE COVID-19 ventilation guidance</p> <p>In cooler weather open windows just enough to provide constant background ventilation, open windows more fully between classes, during breaks etc. Use heating / additional layers of clothing to maintain comfortable temperatures. Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)</p> <p>Consider opportunities for outdoor learning to assist in social distancing.</p> <p>Staff to follow social distancing guidance in offices/staff rooms/close working in rooms etc i.e. 2m wherever possible, where it cannot be maintained face coverings to be worn.</p> <p>Where staff need to move between classes and year groups, they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults.</p> <p>Meetings / 1-2-1's / training Limit face to face meetings to those which are absolutely essential. Ensure these are conducted in large enough areas to maintain social distancing; or via electronic means (Microsoft Teams etc.)</p> <p>Staff rooms Review occupancy levels and layout to facilitate social distancing Set maximum occupancy, staff to stagger use to enable distancing.</p> <p>Stairs / corridors Minimise groups (bubbles) transitioning at the same time to ensure brief contact. (passing briefly in circulation spaces is a low risk) Implement one-way system (where possible e.g. multiple routes / stairs) Stagger use and numbers using circulation spaces at the same time.</p>	<p>Staffrooms closed to staff gatherings but available for access to pigeon holes, lockers, etc. Open window / door policy in school to promote good ventilation.</p> <p>Included in SET Parent/ staff COVID update.</p> <p>Microsoft Teams & Zoom in place and regularly used as an alternative.</p> <p>One way systems in place for all corridors and stairways where possible.</p>	<p>Head</p> <p>Head</p> <p>All staff</p> <p>All staff</p> <p>Head/SLT</p>	

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Avoiding multiple groups queuing in same shared areas/ narrow corridors etc. Pupils queuing e.g. for entry into labs will need supervision and floor markings to aid distancing.</p> <p>Changing rooms Reduce numbers needing to use the changing rooms by considering allowing pupils to wear PE kit to school.</p> <p>Consider introducing enhanced cleaning of all facilities throughout the day and at the end of each day. Clean contact surfaces between use by different groups.</p> <p>Provide suitable and sufficient rubbish bins in these areas with regular removal and disposal.</p> <p>Break / Playgrounds Avoid any group activities that require pupils to be in close physical contact with each other. Limit group interaction by clearly zoning areas and staggering breaks. Use playing fields when weather permits. Brief all staff on expectations. Consider increased supervision to aid enforcement of social distancing as far as is reasonable. Outdoor play equipment to be cleaned between use by different groups or left for period of 48 hrs (72 hrs for plastic) between use by different groups. Pupils should wash / sanitise their hands before and after use.</p>			
Canteen use / lunchtimes	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Consider staggered break times to reduce congestion and contact between groups. Rota for use of dining areas</p> <p>Reinforce handwashing prior to eating food. Hand sanitiser should be available at the entrance of any room where people eat and should be used by all persons when entering and leaving the area.</p> <p>Canteen use Food operators continue to follow Food Standard Agency's (FSA) guidance on good hygiene practices in food preparation and their Hazard Analysis and Critical Control Point (HACCP) processes.</p> <p>Pupils to enter canteens in their allocated groups.</p> <p>All payments to be taken by contactless methods. (Risks from fingerprint contact payment considered low if handwashing / sanitizing is enforced).</p>	<p>Hand sanitizers in place in canteen area.</p> <p>Catering companies are continuing to follow FSA guidance.</p> <p>Till operatives to be responsible for cleaning biometric system if used.</p>	Site Manager	On going

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Drinking water should be provided with enhanced cleaning measures of the tap mechanism introduced.</p> <p>All rubbish and waste should be put straight in the bin by the user and not left for someone else to clear up.</p> <p>All areas used for eating must be thoroughly cleaned between groups and at the end of each break and shift, including chairs, door handles, vending machines etc.</p>			
School Swimming pools	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>See also changing rooms and hire</p> <p>Follow PWTAG and Swim England advice on reopening school pools. Review swimming pool risk assessment and operating procedures. Pupil use is consistent with their groups.</p> <p>See https://www.swimming.org/swimengland/pool-return-guidance-documents/Reopening-a-pool-after-COVID-19-shutdown : https://www.pwtag.org/reopening-pool-after-covid19-shutdown/ Operation after COVID-19 shutdown https://www.pwtag.org/swimming-pool-technical-operation-after-covid-19-shutdown/</p> <p>Note: PWTAG recommend a free chlorine conc of 1.5 mg/L with a pH of 7-7.4; Testing before bathing and every 2 hrs after that.</p> <p>Recalculate bather load to ensure social distancing and communicate new maximum numbers to all users. (min 3 sqm per bather is only a start point, see Swim England recommended figures 6 sqm+)</p> <p>Hiring and lettings risk assessments on delivery, bather numbers and social distancing required from hirers. Ensure these are robust and follow national advice from Swim England. School to provide their operating procedures to hirers (NOP/EAP) and include details on measures taken to control COVID-19</p> <p>Areas used to be cleaned after use / before occupation by school.</p>	<p>School swimming as part of educational provision and wraparound care can return from March 8th</p> <p>No wider use / hire at this time</p> <p>Swimming pools hirers to meet COVID swimming body guidance and their risk assessments checked by the school in advance of any use. Swimming pools remain closed to external users.</p>	<p>Head</p> <p>Site Manager/ Trust Estates</p>	
Transport / Travel off site	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>School continues to encourage walking / cycling to school. Where schools use dedicated school buses students must wear face coverings and observe social distancing protocols at all times.</p> <p>Public transport All persons to limit their use of public transport and if this is not possible individuals should follow government advice on the wearing of face coverings. (mandated from 15th June) Guidance on how to wear and make a cloth face covering is available.</p>	<p>Included in SET parent/carer & staff COVID update.</p> <p>Included in SET parent/carer & staff COVID update.</p>	<p>Head</p> <p>Head</p>	

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>Where business travel via car is required use private single occupancy where possible.</p> <p>Minibus use Used by those within same school group / bubble, reduce numbers on board to aid distancing. Staff and students to wear face coverings. School to advise staff & students. Vehicles to be cleaned after each group's use / between drivers etc. (sanitiser / disinfectant wipes to be available on the vehicle). Regular cleaning of vehicle contact points (handles, keys, display and controls etc.) – in-particular where vehicles are shared between drivers / groups. Use hand sanitizer on entering / leaving vehicle. Windows to be open for ventilation. Staff to wear disposable gloves when refueling.</p>	<p>Included in SET staff COVID update.</p> <p>Minibus drivers are aware. Site Managers are aware. Included in SET staff and Parents/Carers COVID update. Face coverings to be worn on all occasions</p>	<p>All staff</p> <p>Head / Site Manager</p>	
Contractors	<p>Contractors, Staff, Students / pupils / wider contacts,</p> <p>Spread of COVID 19</p>	<p>School and any on site contractors (Catering, cleaning, FM provider etc.) to co-operate and share risk assessments All contractors will read and comply with signs in reception regarding good hygiene and the wearing of face coverings.</p> <p>Staff and contractors are to maintain a safe distance between themselves and others (2 metres where practical).</p> <p>All contractors are to wash their hands or use alcohol-based hand sanitiser upon entering the site. Agree approach to scheduled / ongoing building works. Where works can be conducted outside of the school day they should be. Site inductions are to be carried out following social distancing principles. School's to seek confirmation of the contractors method statement / risk assessment. All essential / statutory maintenance deemed necessary to the safe running of the school was continued during periods of national lockdown.</p>	<p>Site Managers & Trust Estates to work with contractors to co-ordinate & ensure safety guidelines followed by all.</p> <p>Contractors' method statement / risk assessment to be provided before work commences.</p>	<p>Site Manager / Trust Estates</p>	<p>On going</p>
Provision of first aid	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>It is accepted that social distancing cannot be maintained during the delivery of first aid, but physical contact should be kept to a minimum e.g. pupils apply cold pack, wipe, plaster where able to do so. Wash hands before / after treatment.</p> <p>Those administering first aid should wear PPE appropriate to the circumstances. Where the injury was significant and thus required close care for an extended period then it would be reasonable to provide PPE. See also 'provision of personal care' and 'Suspected case whilst working on site'.</p> <p>First aiders to be aware of advice on CPR from The Resuscitation Council</p>	<p>First Aiders aware & included in SET First Aider COVID update.</p> <p>In place for first aiders: visor, face masks, gloves and full proof aprons. Protocols state they must wear them when dealing with students closely. Staff reminded to wash hands with soap and water for 20 seconds after all PPE removed.</p>	<p>Head</p>	<p>On going</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
		<p>https://www.resus.org.uk/media/statements/resuscitation-council-uk-statements-on-covid-19-coronavirus-cpr-and-resuscitation/covid-community/</p> <p>First aid rooms can be very busy and are often small rooms. Schools should make arrangement for only one person being treated in the first aid room at a time and allocate another room / area as a waiting/collection area.</p> <p>If daily medication is administered from 1st aid rooms then consider if this needs relocating to reduce demand on space.</p>			
Provision of personal care	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Additional PPE in place if required e.g. for intimate care, to be risk assessed and to be based on nature of task and level of contact (e.g. disposable apron, gloves, fluid resistant surgical mask and if there is a risk of splashing to the eyes, coughing, spitting, vomiting then eye protection should be worn.)</p> <p>Where a child falls ill with Coronavirus symptoms whilst on site (new continuous cough, high temperature cough or a loss of, or change, in your normal sense of taste or smell.) then school staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask) if a distance of 2m cannot be maintained.</p> <p>If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask, disposable apron and gloves.</p>	<p>First Aiders aware Staff working with vulnerable students aware Included in SET staff COVID update.</p>	<p>Head</p>	
Emergency procedures (Fire alarm activations etc)	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Emergency evacuations are to take place following social distancing principles as far as is reasonably practicable (this will be impacted during evacuation, but will be for short period).</p> <p>Maintain groups / bubbles at assembly points. Increased supervision and reiteration of messages to occupants</p>	<p>Practice Fire Drill planned for spring & summer term with clear guidance on social distancing for staff & students.</p>	<p>Head/ Site Manager</p>	<p>To be completed by 26.03.21</p>
Deliveries & Waste collection.	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Do not approach delivery staff, allow packages to be left in a safe place.</p> <p>Hands are to be thoroughly washed after handling all deliveries or waste materials.</p> <p>Waste collections made when the minimum number of persons are on site (i.e. after normal opening hours).</p>	<p>Site staff + reception staff aware of protocols for receiving deliveries. Included in SET staff COVID update.</p>	<p>Site Manager/ Office Manager</p>	<p>In place</p>
Premises safety	<p>Staff, Students / pupils</p>	<p>Ensure all 'normal' tasks / compliance checks are being carried out/planned such as fire alarm testing, legionella controls, servicing of equipment, PAT testing etc. Ensure all key services are operational</p> <p>Legionella Follow normal practices for re-opening after holiday period/lockdown period.</p>	<p>Compliance checks have continued to take place and logged by site staff using Smartlog.</p>	<p>Site Manager / Trust Estates</p>	<p>In place</p>

What are the hazards?	Who might be harmed and how?	What schools must consider	Action Taken	Action by who?	Action by when?
	Wider safeguarding / safety risks	<p>i.e. where weekly flushing of outlets has not taken place then chlorination / flushing of whole system should take place.</p> <p>Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)</p>			
Lack of awareness of PHE / school controls	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>All staff consulted on plans and risk assessment. Parents/ carers and pupils informed of measures in place to protect them Posters will be displayed in the reception, welfare areas and in suitable places around site.</p> <p>Clear briefing for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance.</p> <p>Volunteers, peripatetic, temporary / supply staff, sports coaches and other providers are briefed & given guidance on school's arrangements for managing and minimising risk, including need to maintain distance (2m where possible) from other staff and pupils and wear face coverings where 2 m cannot be maintained and at all times in indoor communal areas.</p>	SET staff COVID update	Head	In place
Staffing levels	<p>Staff, Students / pupils</p> <p>Spread of COVID 19</p> <p>Wider safeguarding / safety risks</p>	<p>Dynamic decisions on staffing levels made dependent on numbers / needs of pupils present in school.</p> <p>Reviewed to ensure adequate number of staff in attendance to maintain an appropriate ratio with pupils and ensure key competencies (first aid etc maintained)</p> <p>Options such as supply staff, splitting classes, SLT cover, partial closure may be required in event of staff shortages.</p>	Local operational decisions on partial closure / closure to be made in event of insufficient available staff to supervise pupils. With a move to remote learning in such circumstances for those pupils affected.	Head	In place
